With this pack, we make sure that you will have your accommodation booked and your registration done in an English official school on the date of your arrival.

LANGUAGE: We offer you a range of official English schools, so you can choose the one that best suits your needs and your location. We take care of your registration process to start learning and improving your English from day one.

HOME: Land in Malta with the confidence of having your accommodation ready and booked. You can choose between staying in a single or shared room (subject to availability), or in a hostel. Always located in the heart of the island.
